

# RESULTS-BASED LEADERSHIP SERVICES

The Organizational Coaching and Leadership Group

## Leading Collaboratively for Results: Moving From Talk To Action...From Action To Results

### A continuum of services

#### Beginning: Getting ready

- Determining the scope of the work
- Determining the audience and call to action
- Determining tools and support
- Determining and enlisting the champion

#### Execution: Moving from talk to action

- Co-design of change process
- Results-based facilitation of:
  - conversations, and
  - meetings

To ensure alignment, accountability, and action

#### Capacity-building: From action to results

- Leadership development for high-, mid- and entry-level leaders,
- Results-based facilitation and certification
- Productive meetings training

To enhance performance of all staff and stakeholders

#### Sustaining: Moving beyond

- Coaching
- Technical Assistance
- Virtual support through a leadership network
